

CURRICULUM VITAE

REBECCA McALASTER

Florida Licensed Psychologist #0005242
becky.mcalaster@gmail.com

Education:

B.A., English, University of Oregon, OR

M.S., Counseling, Fordham University, NY

Ph.D., Psychology, State University of New York at Stony Brook, NY

Clinical Retraining: Retrained in APA - approved clinical psychology program at University of Maryland, Baltimore County, Catonsville, MD

Clinical Psychology Internship, James A. Haley Veteran's Hospital, Tampa, FL (APA-approved)

Dissertation Title:

Quantitative EEG Analysis of Down's Syndrome Children: Developmental Comparisons

Positions Held:

Aug. 2020 to Present – Neuropsychologist, Applied Neuroscience, Inc., St. Petersburg, FL.

Aug. 1995 – June 2011: Staff Psychologist, Tampa General Hospital, Brain Injury Unit, Rehab Center, Tampa, FL.

Oct. 1994 - July 1995: (Fellowship)- Bay Pines Foundation, Research & Development, V.A. Medical Center, Bay Pines, FL. Research and data analysis, head injured patients. Included neuropsychological, EEG, and MRI data.

Aug. 1993 - Sept. 1994 - Internship at James A. Haley Veteran's Hospital, Tampa, FL.

1986-1993 Staff Psychologist, Montebello Hospital, Baltimore, MD. Neuropsychological evaluations, psychotherapy, case review presentations, psychotherapy groups, research. Supervision of psychology technician, supervision of MA and Ph.D. internship students. Patients: head injury, stroke, multiple sclerosis, brain tumor, orthopedic, and spinal cord injured. Also worked at Maryland Institute for Emergency Medical Services (MIEMSS) half-time (6/88 to 11/88) (neuropsychological evaluations, PTSD, conversion disorder, depression; most of these patients had head injuries).

1982-1986 Clinic Coordinator, Neurometrics, Maryland Institute for Emergency Medical Services, University of Maryland at Baltimore, Baltimore, MD. Writing clinical report on EEG and evoked potentials for trauma patients. Supervision of EEG technician.

1980-1982 - Research Associate, Applied Neuroscience Lab, University of Maryland at Baltimore, Baltimore, MD. Data analysis, neuropsychological testing of children. Writing evoked potential and spectral EEG clinic reports for head trauma patients.

1979-1980 - Research Analyst, University of Maryland, Eastern Shore, Princess Anne, Maryland. Data Analysis, neuropsychological testing of normal & learning disabled children.

1977-1979 Graduate Teaching Assistantship, Dept. of Psychology, SUNY, Stony Brook, N.Y.

1977-1979 - Research Assistant: Brain Research Laboratories, NYU Medical Center, New York University, NY. Psychological and Neuropsychological testing of normal and learning disabled children. Data analysis of EEG, psychometric, and neuropsychological data.

1971-1977 - Counselor, Cornell University (ILR Program, N.Y., NY.) Academic, personal, vocational counseling.

Professional Memberships (current and former)

Member, Division 40, American Psychological Association

Member, Maryland Psychological Association

Member, International Neuroscience Society

Former member of Board of Directors, Maryland Head Injury Foundation, 1982-1987

Secretary (elected) Maryland Head Injury Foundation, 1982-1986

National Association of Neuropsychology

Teaching Experience:

Teaching Assistant, Department of Psychology, State University of New York at Stony Brook:

- Developmental Psychology, 1977
- Human Learning, 1978
- Experimental Psychology, 1978
- Developmental Psychology, 1979

Instructor, Department of Psychology, University of Maryland Baltimore County (with Dr. Mary Ann Fisher):

- Neurometrics and Learning Disabilities, 1981
- Developmental Psychology, 1981

Have given many in-services at Montebello Hospital, Maryland Institute for Emergency Medical Services, and Tampa General Hospital.
